

## Continuing Education Units at OFNTSC

ID	COURSE	CEU	TOPIC
16391	Managing Safe Drinking Water Systems	0.7	Management of Systems
16272	NATT - Confined Space Entry and Awareness	0.4	Health and Safety
16271	NATT - Confined Space Rescue	2.1	Health and Safety
16270	NATT - Working at Heights	0.7	Health and Safety
16049	Best Practices in Small Drinking Water Systems	0.7	Small Systems
14677	Operate & Maintain Valves	0.7	Water Treatment and Distribution
14456	Operator in Training Prep Course	2.6	Water Treatment and Distribution
14415	Groundwater Wells for Circuit Rider Training Program	0.4	Water Treatment and Distribution
14339	Operate And Maintain Coagulation and Chemical Feed Systems (CRTP)	0.5	Water Treatment and Distribution
14338	Operate and Maintain Disinfection Systems (CRTP)	0.4	Water Treatment and Distribution
14335	Plan Reading - Circuit Rider Training Program	0.4	Basic Concepts
14315	Circuit Rider Training Program - Operate & Maintain Filters	2.1	Water Treatment and Distribution
14297	Circuit Rider Training Program - Operate and Maintain Pumps and Motors	1.8	Water Treatment and Distribution
10297	Trucked Water Delivery to First Nations South of 60	0.6	Water Treatment and Distribution
10296	Maintenance of Drinking Water Cisterns	0.6	Operational Support
9396	Water Distribution Exam Prep Class 1	2.8	Water Treatment and Distribution
8915	Introduction to Membrane Filtration	0.7	Water Treatment and Distribution
8493	Emergency Response Planning for FN Operators	0.7	Management of Systems
8313	Water Distribution System Emergencies for FN Operators	1.4	Water Treatment and Distribution
8213	Conventional Water Treatment Basics	2.1	Water Treatment and Distribution
7333	Standard Operating Procedures, Flow Charting & Logbooks	0.7	Regulatory
6593	Water Main Breaks and Repairs	1.4	Water Treatment and Distribution
5753	Operation & Maintenance of Fire Hydrants - Circuit Rider Training Program	0.7	Operational Support
5752	Fundamentals of Maintenance Management Systems - CRTP	1.4	Water Treatment and Distribution
3944	Basic Electricity - Circuit Rider Training Program, OFNTSC	0.9	Basic Concepts
3796	Chemical and Bacteriological tests in a Water Plant	1.1	Water Science
3342	WATER TREATMENT - CLASS 1 Prep Course	2.8	Water Treatment and Distribution
3231	Controls and Equipment	0.4	Operational Support
3230	Record Keeping	0.6	Regulatory
2392	Circuit Rider Training Program - Controls & Instruments	1.8	Operational Support
2390	Circuit Rider Training Program - Intake and Groundwater Wells	1.2	Basic Concepts
